Image: shutter Yeah, puzzles can be real witches, but once you know the answer, the query makes sense. Some of these puzzles are old standbys, while others can never feel before. Either way, you'll have fun trying to solve them. Give it to me. Then challenge your friends. You can be surprised how some people can immediately identify logic within the puzzle while others can not. In ancient times, if you didn't have a correct puzzle you could be thrown out of a bridge by a troll, killed by a Spinx, or lose the hand of a princess in marriage. The literature of all ages and all over the world includes puzzles of all kinds. But one of the best qualities of an enigma is that it can give us a new perspective. Many times, he plays our assumptions about the world as we know him. For example, what has an eye but cannot see? The answer is a potato. Use the less common definition of "eye" to broaden our thinking. Or how about puzzles like this that makes you examine and review the question itself? Johnny's mother had three kids. The first was named April and the second was called May. What was the third son's name? Answer: Johnny. Now you're making fun of yourself. See how many puzzles you can correctly guess by taking the quiz. Copyright © 2021Holdings, LLC, a System1 Company In search of deeper meaning, trying to find patterns in everything, eager to answer the puzzles of life&is this curiosity and hunger to know that We got to where we are now as a species. We have built an advanced civilization by inventing solutions to problems, and although we might be a little complacent at this stage of our history, there are still many small questions that every person needs to answer in his or her life in order To find that unique mark of happiness that will be slightly different for each of us. I am a big fan of the Socratic method, I will play a Benevolont Riddler and I will give you a list of brain teasers that, when they answered and understood, will help you get closer to finding answers to much deeper problems. Oh, and trust me, learning how to apply any of this knowledge in real life, day by day, will be the real challenge I would have had to face. There will be enough space between each riddle and its answer to allow you to think about it and do some guessing before you scroll down, so take your time. State 1Journey without it and you'll never anticipate, but if you've ever prevailed it will surely fail.answer: Trust When there are many of those who lack the confidence to stand up for themselves and seize opportunities, there are also many people out there who overestimate their abilities and bite more than they can chew. To ensure a reasonable level of happiness in life and get as much as possible, you have to live between these extremes and learn to strike the right balance between the different values that govern you again. Rich people need it. It can make you or break you or break you.Swer: The opponentsSteel their hardened by being exposed to the roaring fires of a furnace and then cooled, and even the human spirit is hardened by adversity. The rich and privileged are missing and often become spoiled, with a distorted view of reality and a childish ignorance of the ways of the world. However, if a person faces numerous difficulties without the ability to cool down and recover, his spirit may be broken or they may become bitter and tired. You have to live through some difficult times to gain respect for life and hone those survival skills, but remember that there are also those whose hardships have brought them to a dangerous place - be careful of such people. About 3everyone wants more Feel special, yet the more you have the less special you feel. Discussion: Knowledge ah, for being young and crazy is a wonderful thing. You think you know everything, that you are indestructible and you have life understood everything, then as you get older and wiser, and deepen some arguments, you suddenly realize how much there is to know. It can take people a whole life to really master a skill or acquire detailed knowledge on a topic, and there are just too many skills and topics for each person to cover in different lives. Understanding this makes you humble, and even people who think they have all the answers ask you questions.Riddle 4 If I YOU WANT TO SHARE ME. If you share me, me, He took me. What are? Answer: Secret people fail to grasp the true importance of secrets. From a moral point of view, they help you avoid lying down, but at the same time they allow you to protect your privacy and privacy of those who are close to you. There is a desire for gossip and disseminating interesting information that we as human beings were born, but must be checked. Small facts that only a few people know help to strengthen the bonds of friendship and love between them ... protecting someone's secrecy on this day and eth is almost courageous and noble as protect them from a wild animal. It can only have once you give it. Yewer: respect of the most misunderstood concepts there is out, respect is still asked rarely given. Some also try to take it by force or buy it, but if you are not able to show other respect and treat them as the same as you will never be able to earn their respect. People respects courage, intelligence, ability, talent, compassion and physical and mental force, and these things cannot be false. Image you are in a dark room. How do you get out? Answer: Stop imagining that it is something to say about the destroytivity of self-app studios that people regularly require themselves. When every trouble suggestion is immediately displayed as a disaster and any attempt to remedy a situation is brushed aside with Å º º, ~ º º "this is the point? Will never work, Å º º, ~ º º "then the possibility of standing when things go really badly? It is important not to surrender before the battle has even started, and to avoid taking you to that dark and solitary place all the Time. A small positivity and determination will make a long way. REDDLE 7 What do you always come but will never arrive? Answer: Tomorrow's promotion was born from laziness and fear of making changes, and is the biggest killer of dreams there Outside. If you continue to reprogram the important things for tomorrow, Monday or next month, you will remain in the same place where the world continues to move without you. About 20-30 minutes here, an hour or two there, not It's a long time to invest to improve yourself and if you continue to do it every day you will collect enormous benefits. Don't wait for tomorrow, do what needs to be done right now. Night 8Å º Night come without being recovered. By day they are lost either SSERE RUBAT!ANSWER: Doubts and Temithat Old piece of advice given by our elderly: Å º º, ~ Å º "Sleep on it, so as simple as it is absolutely brilliant. At night before sleep we are in our most vulnerable, even if we have someone to keep tight. Those annoying doubts come to crawl, our insecurities and our fears begin to eat in our mind, and that self-critical voice becomes a little stronger because the room is silent. However, after the good night, while we wake up and leave some sun in the room, take some fresh coffee and tasty food in our system, those troubled thoughts seem miles away. This is a much better time to talk about things, make big and important decisions. Call.Riddle 9A prison where you feel safe, but never happy enough. Every time you try to leave, it gets bigger and bigger. Answer: Your comfort zoneThe feeling of safety we feel when we hide in our small comfort zone is false, and the lack of initiative in the end will make us feel unhappy. To improve, we must be willing to try new things, throw ourselves in uncomfortable situations and learn to face them over time. As we become comfortable with different situations and become experts in a variety of additional skills, that comfort zone will continue to expand and we will have to continue running beyond its borders. Riddle 10If you break me I don't stop working; If you touch me, I might be trapped; If you lose me nothing will matter. Answer: Your heartLeaving that someone approaches, reaches and touches our heart is a heart is a frightening and frightening experience at the same time. There are a lot of people out there, more than enough for everyone to find a great match. In fact, you can find a good match several times, and just as your heart breaks also it will heal and will be ready to be touched again. However, if you lose that empathy that makes you a decent human, life will become tetra and meaningless, so keep your heart in a safe place and cultivate it. Riddle 11Initiate light and easy to endure, but the more you carry it with you, the more it becomes heavy. Answer: A dirty conscience Sometimes we make rash decisions, especially when we are young and full of angry hormones. and even when we know we're wrong we can rationalize things and convince ourselves that we haven't done anything wrong or that we have no choice. The fact is, you can continue to justify your actions for a long time before your conscience starts to consume you. This is why many people who live a dangerous lifestyle, whether criminals or soldiers or cops, burn and turn to alcohol or drugs. Respect an ethical code that you have adopted at all times, and you will remain in good mental health. Riddle 12I do not listen to the reason, but I hear every song of mermaid and I will try to drive to the rocks if you let me take the wheel. Who am I? Answer: EgoWhen you let your ego take over, it is very easy to offend at the slightest insult, start screaming matches with people, try to show up and hurt yourself in the gym, bite more than you can chew and ruin relationships. He only cares about preserving your perceived social status and will quickly turn you into a drooping Neanderthal, and this applies both to men and women. When you go out of the house, it's better to leave your ego at home, you don't have to prove anything to anyone, provided you have a good sense of self-esteem and be surrounded by people who understand and understand you.13 one to one falls from the paradise in the depth of the past, and our world is always upside down, so that still a poÅ º of time Last.Sposta: dreams and aspirations the way we see ourselves will change and some of the dreams we had and the goals we set will be left behind. However, as our worldview and personality changes, new dreams and aspirations emerge, which is a perfectly normal and healthy part of maturation. We are not renouncing who we are, we are only evolving in an improved version of that same person, and knowing that this allows us to let go of the past. Riddle 14A mile from end to end, but close to as a friend. A precious commodity, freely given. Found on the rich, poor, short and tall, but shared among children above all. What? Answer: A smileThis simple little thing really becomes a precious commodity once you grow old. Many people suffer from anxiety and depression, and most of us spend a good part of the week under constant stress. We forget to smile sincerely, from the bottom of our heart as carefree children we used to be. This is why the time spent with the neighboring family and friends becomes so precious. We must remember how to open our eyes to the beauty and ilary of the world around us, and smile more. Riddle 15We badly without moving. We sail without touching. We bring truth and lies. We must not be judged by our size. What are we? Answer: Words Our words can have an incredible effect on others. They can cause pain and pain, bring joy and laughter, make people uncomfortable, educate or offend. Many people don't really think of the words they use, but we should all choose our words more carefully. Only a few inappropriate words spoken at the wrong time can change our lives forever, and it is up to us to learn to communicate more tactilely so that we can dictate the result of such situations, rather than let our emotions get the best of us. Spend a few minutes meditating on these puzzles and try to think about a moment in your life that could serve as an example for one of the points covered here. Feel free to dissect each of the puzzles and return to them after having them run in the head for a day or two. Two.
