Dry shampoo sheet etude

SAFETY DATA SHEET								
PRODUCT: Design.Me Lift.Me Volumizing Mousse - 240 g			CODE: AG-430049					
SECTION 04: FIRST-AID MEASURES								
Ingestion.....	Not likely to be ingested. If occurs, do not give anything by mouth to an unconscious person. Do not induce vomiting; get medical attention. Obtain medical advice.							
Most important symptoms/effects, acute	Direct eye contact may cause temporary eye irritation.							
Indication of immediate medical attention and special treatment needed	Provide general supportive measures and treat symptomatically. In case of shortness of breath, give oxygen. Keep victim warm. Keep victim under observation. Symptoms may be delayed.							
SECTION 05: FIRE-FIGHTING MEASURES								
Susitable Extinguishing Media.....	Dry chemical powder. Carbon dioxide. Foam; water spray or fog.							
Unsuitable Extinguishing Media.....	Mg in powdered form.							
Specific Hazards Arising from the Chemical.....	Container under pressure. Pressurized container may explode when exposed to heat or flame.							
Special Protective Equipment and Precautions for Firefighters	Firefighters must use standard protective equipment including flame resistant coat, helmet with water to prevent vapor pressure build up. Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Remove undamaged containers from immediate hazard area.							
General Fire Hazards.....	Non Flammable aerosol, but contains flammable propellant.							
SECTION 06: ACCIDENTAL RELEASE MEASURES								
Personal Precautions, Protective Equipment and Emergency Procedures.....	Ensure adequate ventilation; avoid formation of dust. Wear protective equipment and keep personal protective equipment readily accessible to treat the effects of dust.							
Methods and Materials for Containment and Cleaning Up.....	Contain spillage, and then collect with non-combustible absorbent material, (e.g. sand, earth, diatomaceous earth, vermiculite) and place in container for disposal according to local regulations. Avoid dispersing material into environment. If possible, dilute with water to prevent vapor pressure build up. Collect contaminated fire extinguishing water separately. This must not be discharged into drains. Remove undamaged containers from immediate hazard area.							
Environmental Precautions.....	Keep out of drains, sewers, ditches, and waterways. Minimize use of water to prevent environmental contamination.							
SECTION 07: HANDLING AND STORAGE								
Precautions for Safe Handling.....	Wash thoroughly after handling. Pressurized container. Do not pierce or burn, even after use. Do not use if spray button is missing or defective. Do not spray on a naked flame or any other incandescent material. Avoid contact with eyes. Avoid breathing vapours or spray. Avoid release to the environment. Pressure. Use with adequate ventilation. Keep away from heat, sparks, and open flames.							
Conditions for Safe Storage including any Incompatibilities	Store in a cool, dry, well-ventilated area away from incompatible substances. Do not store away from heat, sparks, and open flames. Store in a cool, dry, well-ventilated area away from incompatible substances. Do not store near incompatible materials (see Section 10). Store a temperature between 5°C (41°F) and 50°C(122°F).							
SECTION 08: EXPOSURE CONTROLS / PERSONAL PROTECTION								
INGREDIENTS	TWA	ACGIH TLV STEL	PEL	OSHA PEL STEL	REL NIOSH			
Isobutane	Not available	1,000 ppm	Not available	Not available	Not available			
Propane	Not available	Not available	1,000 ppm	Not available	Not available			
Cocamidopropyl betaine	Not established	Not established	Not established	Not established	Not established			
Phenoxyethanol	Not available	Not available	Not available	Not available	Not available			
Fragrance	Not established	Not established	Not established	Not established	Not established			
Appropriate Engineering Controls.....	Local exhaust ventilation required to maintain the point of use below the Threshold Limit Value if unprotected personnel are involved. Ground all equipment and cylinders before use.							
Individual Protection Measures:								
Eye/Face Protection.....	Prevent eye contact; wear safety glasses in the event that eye contact is possible.							
Skin Protection.....								
Respiratory Protection.....	Not normally required. Use respirator for extended term basis if exhaust ventilation is provided. Use approved NIOSH respirators for emergencies.							
Thermal Hazards.....	None Known.							
General Hygiene Considerations.....	Wear gloves do not eat, drink or smoke. Always observe good personal hygiene measures, such as washing after handling the material and before eating, drinking, and/or smoking. Routinely wash work clothing and protective equipment prior to use.

Other issues can be the culprit as well. That means it's not necessarily something to take lightly. Often, dry mouth is a side effect of some other medical treatment. When you place an order, we will estimate shipping and delivery dates for you based on the availability of your items and the shipping options you choose. The weight of any such item can be found on its detail page. However, if there's an obvious cause for your dry mouth — if you sleep with your mouth open and experience dry mouth symptoms in the morning, for example — you might be able to address the problem yourself. Treatments There are some things you can try to do to manage your dry mouth symptoms. Aside from the discomfort dry mouth can cause, it can also cause bad breath and may lead to dental problems such as gum disease and tooth decay. To reflect the policies of the shipping companies we use, all weights will be rounded up to the next full pound. It could be that some behavioral changes will solve the problem. Dry Mouth Basics Clinically speaking, dry mouth symptoms are more specific than just feeling a little parched. Directions Use the coated side of the dry shampoo sheet to press lightly on oily hair or scalp. Continue as need with an unused section. Dispose after one use. Specifications Place of origin Fragrance Texture Content Brand A persistently dry mouth can be more specific than just annoying — it may be related to a more serious issue. We'll also pay the return shipping costs if the return is a result of our error (you received an incorrect or defective item, etc.). You should expect to receive your refund within four weeks of giving your package to the return shipper; however, in many cases you will receive a refund more quickly. People who experience nerve damage to the head or neck may also find they start experiencing persistent dry mouth after this damage occurs. When to See a Doctor Because dry mouth can be associated with serious issues, or can be a bothersome side effect to a medication for which there may be a substitute, it's a good idea to see your doctor when you experience these symptoms. Depending on the shipping provider you choose, shipping date estimates may appear on the shipping quotes page. Please also note that the shipping rates for many items we sell are weight-based. Description Etude House Hair Secret Dry Shampoo Sheets is a portable set of dry shampoo sheets that help absorb excess oil leaving hair instantly refreshed. You may return most new, unopened items within 30 days of delivery for a full refund. Alcohol and tobacco use could also contribute to dry mouth symptoms. Other Causes of Dry Mouth Dry mouth isn't always brought on by medications or recreational drugs. Just experiencing these symptoms once or twice in your life doesn't necessarily mean you have a problem. Learn more about what causes dry mouth symptoms so you can decide what to do about it. Serious symptoms can include difficulty speaking or swallowing, hoarseness, dry tongue and changes to your sense of taste. Elderly people may experience dry mouth simply due to aging, but more serious problems can be associated with dry mouth. Directions Use the coated side of the dry shampoo sheet to press lightly on oily hair or scalp. Continue as need with an unused section. Dispose after one use. Specifications Brand Etude House Content 30 sheets Texture Fragrance Place of origin Description Etude House Hair Secret Dry Shampoo Sheets is a portable set of dry shampoo sheets that help absorb excess oil leaving hair instantly refreshed. People who use recreational drugs such as meth, and those who use either recreational or medicinal marijuana may also experience dry mouth, depending on their response to the drugs. You can also try to do things that improve mouth moisture, like chewing sugar-free gum or using an oral rinse specifically designed to promote moisture. For example, people with autoimmune diseases such as Type 1 diabetes, HIV or AIDS can experience dry mouth as a symptom. We'll notify you via e-mail of your refund once we've received and processed the returned item. Shipping We can ship to worldwide. For example, chemotherapy patients and those who receive radiation therapy to their head or neck may experience dry mouth as a side effect of their cancer treatments. This time period includes the transit time for us to receive your return from the shipper (5 to 10 business days), the time it takes us to process your return once we receive it (3 to 5 business days), and the time it takes your bank to process our refund request (5 to 10 business days). If you need to return an item, simply log in to your account, view the order using the 'Complete Orders' link under the 'My Account' menu and click the 'Return Item(s)' button. MORE FROM QUESTIONSANSWERED.NET People who suffer from diagnosable dry mouth will experience symptoms like this persistently, meaning either the majority of the time or all the time. Even running a humidifier in your bedroom at night might help, states the Mayo Clinic. Medications may also cause dry mouth, including both over-the-counter and prescription drugs such as antihistamines, painkillers and depression. Behavioral changes, such as quitting or cutting back on caffeine, alcohol, smoking and drug use associated with dry mouth, can make a difference.
