QUIZ

ONLY 6% OF
Harry Potter
FANS CAN MATCH
THE **PATRONUS** TO
THE CHARACTER

Can you retake the patronus quiz on wizarding world. List of patronus wizarding world. What is the rarest pottermore patronus. How to find your patronus on wizarding world. What is the rarest patronus in wizarding world

Every patronus takes the form of a different animal that has a special affinity with the caster - in the case of Harry, his patronus is a deer. Now it's time to discover yours. It's simply magical! Equally impressive is the number of animals within the Patronus test. It evokes your best memory, and the Patronus experience will take you through a beautiful forest in which you will be asked to create a series of choices, based on a series of cryptic prompt written by J.K. Rowling. pic.twitter.com/xnjkfjgmx47- "j.k. rowling (@jk_rowling) 22 September 2016 is a heron :)" J.K. Rowling (@jk_rowling) 22 September 2016 pretty good, right? My passion for Weaselly creatures is well documented. So go ahead and throw your patronus. Your answers will be scheduled and you can only discover your patronus once. Hermione's Patron is an Otter, while Ron's Patron is a Jack Russell Terrier. From today, registered users can discover their unique Patronus for the first time. If you know what animals you can take, we have a complete list of Patronus. And if you are curious to know what the Patron of J.K. Rowling is, a heron! It's a heron:) J.K. Rowling (@jk_rowling) September 22, 2016 Take the official quiz for yourself, and to have even more fun Harry Potter, be sure to check out the Harry Potter MuggleCast podcast! Full list Pottermore Patronus Rare animals are tagged. I personally enjoyed watching my West Highland Terrier lunch around the screen! It turns out that there are many animals, both from the world of Muggles and from the world of wizards (although the latter are rare). We are going global for our latest quiz, taking you to the US, Paris, Antarctica and beyond! Find out how to score and share your results with us on Facebook or Twitter. Answer the mysterious questions, and navigate through the forest to launch your new friend Patronus. All the animals come with their set of animations, which might explain why it took so long for Pottermore to create the quiz. There are many forms your Patron could take; it could be a pet or, in rare cases, a magical creature. Let us know in the comments! And as a reminder here are the patrons of the Harry Potter cast: Hermione Granger "Otter", Ginny Weasley "Horse", Seamus Finnegan "Fox", Albus Silvert Phoenix "Aberforth", Silvertore Goat "Kingsley", Shacklebolt Lynx "Moon", Lovegood Hare "Remus Lupin", Wolf Nymphadora Tonks "Wolf", Ernie MacMillan "Boar", Severus Snape "Doe", Minerva McGonagall "Cat", Cho Chang "Swan", Dolores Umbridge "Cat", Rita Skeeter "Beetle", J.K. Rowling "Heron". Read the writing Patronus Charm by J.K. Rowling, or come back and visit your Patronus which you can do anytime here. Below, we have compiled a complete list of Patronus, so you can see all the quiz options. It may have been a long wait, but the official Patronus quiz on WizardingWorld.com (formerly known as Pottermore) has rewarded our patience. The Patronus spell, introduced in Harry Potter and the Prisoner of Azkaban, is a defensive spell that produces a silver guardian, used to protect a witch or wizard against the Dementors. You can find out more about what a Patronus can do here. We hope you love the animal you discover. Music, effects and animations raise the bar for personality quizzes. J.K. Rowling also shared the story of the discovery of his Patronus today on Twitter: ... Yes, really! And it's right here. J.K. Rowling's quiz on Pottermore Patronus does not disappoint. Think of your happiest memory, because Pottermore has a very exciting announcement to make... Pottermore is very proud to reveal the new Patronus experience. However, when we completed the @pottermore test last week, I did it again... J.K. Rowling (@jk_rowling) 22 September 2016 ... If you want to know more about what a Patronus is, why not read our practical guide? Pottermore is also telling some people that their Patronus is "unusual." We don't know if that means if the animal is rare, or if it's just a little less rare. compared to other Patronuses. so as far as I'm concerned, the @pottermore test works! Here's my Patronus...
