PREFACE

We are pleased to present our book SCORE PLUS Computer Science for Class XII (Subject Code G83) in strict accordance with the Latest Reduced Syllabus, Design of the Question Paper and the Latest Sample Question Paper released by the Central Board of Secondary Education, New Delhi, for the examinations to be held in 2021.

This book is strictly based on CBSE Reduced Syllabus 2020-21. This book contains the brief introduction of each topic with solved examples. In each chapter topicwise questions have been set. "Easy to difficult" level of questions is maintained. We have tried to clear all the concepts in easy language and with solved examples. Most of the questions are taken from last year CBSE Paper or based on CBSE pattern.

In the next part of book, sample question paper of Computer Science released by CBSE with its solution is published. After sample paper, there are 4 model test papers with their solutions prepared keeping in mind the biluporint of the CBSE sample question paper. Some specific features of this book are:
