For more information, get familiar with the principles of protecting the developer's privacy. The following data can be collected and maintained with your accounts, devices or elements: the following data can be collected, but it is not covered with your accounts, devices or private protection principles: it can, for example, depending on the functions or their age. More information developer website that supports the application privatods les mots françaisais: vocabulaire, conferences and conversation subjects presents a clear, complete and systematic overview of modern French vocabulary on a variety of topics. Written in the target language, each of the 32 chapters is divided into the following sections, with translations into English to facilitate the learning process: Basic vocabulary (base vocabulary) € € Related vocabulary (apparent vocabulary) - € idiomatic expressions, sayings and proverbs (leverages and expressions) " € € Cultural readings (conferences). The book includes a variety of communicative exercises and sample jumps, while a response key and flashes are available online. This is an essential reading for students at level A2 "C2 of the common European framework for languages, and the intermediate medium" advanced in the ACTFL competition scales. 1. Le Corps Humainâ 2.
