A True Story

Srimatthe Rangararanuja Mahadesikaya Namaha - God Great! Hello, Friends, Mod Edit: Link, the first post Android Pirated for the XDA community. * You will receive 50,000 gold mine (almost unlimited). * Negative -50000 (almost unlimited border) silver cars. * All cars are opened by moderators; not a warehouse and for the first time. Please imagine the security vulnerability of security in a limited access game for the Android platform. It is also for educational purposes where you can discover how these applications will pass. If someone has found it else place, don't rush, I just want to help XDA members. The same idea and parallel thought are God's action. If you want to share this message or these details, pay me tribute by specifying my Vikraminside Source XDA Devs step. The need is the mother of inventions: ----- As soon as it continues. Of course, game developers should play and joke to deceive and advertise innocent players. Never Facebook or WhatsApp and so on. I haven't been a fan, and I will never be forced to use social sites to get only 100 points due to the pressure of peers or the rules of the game. It is not difficult to hack Android as other platforms. Requirements: ===== * A phone with root laws * Racine file for a change of permission traveler, for example. B. Applications Es. * For example, Text Editor: Text Editor 920. MOD Editing: Teaching Pirates of Additional Purchases and Hacking to others is contrary to the XDA rules. It is not important whether it is possible to earn an object (eg, pieces) during the game or in another way. One of the ways of getting a piece is to pay for it. We do not accept Verisse, and no one can allow Vararov to advertise or define ways to obtain ways to avoid paying or other ways to avoid payment. This is the message of the developer; H. The type of people who make up such a software. If you deceive the software developer, you are wrong as a community. Screenshots: The image of the manager because the image cannot be downloaded from this forum. I don't know politics. Tapalk's accommodation was also rejected. I want permission from the administrator and the moderators to accept me and download photos. Next time I will try the premium application. (Download images over the internetOur dear users) Steps: The whole article has released a basic mobile development application. If you want, thank you. Note: I'm sure the game developers are listening to this trick, and until then it will fix it at the next update. The press is easier, thank you rather than writing. S5360 GB DDMD1 sent rooted stock. Latest Modification of the Moderator: August 11, 2013. Reaction: Shaswat DAS, Kite, Asinthe and 4 other screenshots were installed. Long Live XDA. The press is easier, thank you rather than writing. S5360 GB DDMD1 sent rooted stock. The latest change: August 4, 2013. This error was repaired with a new update for game developers. This method will no longer work for repair. Even if the values are displayed as updated, the game cannot be started. The press is easier, thank you rather than writing. S5360 GB DDMD1 sent rooted stock. Broken!!! This time even easier. Increase gold. Create RW for a group of owners. Click to buy a car, Di OK, 1500 silver click, buy the car. So you can interrupt the results when you give the registration permission. Then I will take a photo when you leave. Regulation: Magic repairs. The press is easier, thank you rather than writing. S5360 GB DDMD1 sent rooted stock. Last setting: August 10, 2013 I have the latest update, but it is not sent from HTC FLYER P510E using XDA developers latest editing: 9 August 2013 Hello, HTCFLYERHC/Friends, I hope you worked for your previous update. With the grace of God ... I came back. I watched all the steps, but gold doesn't work, I watched all the steps in the game, but the amount of gold doesn't work, it is 0 in the game. XDA developer developer, latest adjustment moderator: 11. August 2013 Reaction: Yucel28 I have made all the steps, but the amount of gold does not work. ----- I forgot to switch to RW-RW Works: Thumbup: Thank you HTC Brochure P510E will be happy to send my application developers: Highfive: Can you upload the can titanium backup files? Follow the particles of the screenshots to 1.2.3 ... It will work. Can you view the screen pictures? The press is easier, thank you rather than writing. S5360 GB DDMD1 sent rooted stock. I did everything right, but it didn't work. Then I forgotToday I made Nandroid Backup (for other reasons) and restored after a wipe (test ROM). Now I opened DR Driving (not forgetting to try this hack), and there were 99999 gold! Maybe I just had to restart or stop the application? Thank you, I did everything right, but it did not work. Then I forgot. Today I made Nandroid Backup (for other reasons) and restored after a wipe (test ROM). Now I opened DR Driving (not forgetting to try this hack), and there were 99999 gold! Maybe I just had to restart or stop the application? Thanks yes gold is visible, but you can't play. Change the rights to access to the Drdrivingactivity.xml file at -rw-rw --- Got pleasure, my friend. It's easier to press thank you than to print. Sent from the root storage S5360 GB DDMD1. My favorite post: Dr. Driving 3D Game hack Yes, gold will appear, but will not give play. Change the rights to access to the Drdrivingactivity.xml file at -rw-rw --- Got pleasure, my friend. It's easier to press thank you than to print. Sent from the root storage S5360 GB DDMD1. My favorite post: Dr. Driving 3D Game Hack mm, now I play with new machines, and everything works fine. I do not understand part of the permits: it was already the way you say in your post -rw-rw --- by default. So there is nothing to change from the default -rw-rw --- on the "new" -rw-rw ---, all the same. Hmm, I'm playing with new cars now, and everything works fine. I do not understand part of the permits: it was already the way you say in your post -rw-rw --- by default. So there is nothing to change from the default -rw-rw --- on the "new" -rw-rw ---, all the same. After writing 999999, resolutions will change. Please see my screenshots in the URL. Step 9. You do not know when you made a backup of Nandroid. Therefore, he proposed this step. Glad you bought all the cars. Since you had gold coins, the purchase was just one step. I hope you liked it from there. It's easier to press thank you than to print. Sent from the root storage S5360 GB DDMD1. My favorite post: Dr. Driving 3D Game Hack After maintaining 999999 resolution will change. Please see my screenshots in the URL. I'm not sure when you made a backup of the nndroide. Therefore, he proposed this step. Glad you bought all the cars. Since you had gold coins, the purchase was just one step. I hope you liked it from there. ANDThere is a problem: using a solid explorer, after the rescue license has never changed. This is the difference compared to your researcher / publisher who has always confused me, it works, thank you. In case someone else said "it doesn't work / no gold" and he did it as a tutorial, tell him to start seeing. : Vittoria: PS: I liked the game but I started to repeat myself because the parts were so difficult to get ... Now the best cars do not have much difference, but they will have a little reaction Longer: Vikraminide I think that vikraminide I think there is a problem: using a solid explorer, authorization after rescue has never changed. This is the difference compared to your researcher / publisher who has always confused me, it works, thank you. In case someone else said "it doesn't work / no gold" and he did it as a tutorial, tell him to start seeing. : Vittoria: PS: I liked the game, but I started to repeat myself because the parts were so difficult to get ... Now the best cars do not have much difference, but they will always be a bit fun. Thanks for the advice. Now the pieces should not be boring because they are almost unlimited. Try a small car to make the steering department shorter, a large white car for speed and width. The difference was small for me. You can also repair several times that will depend on the money. Press thank you is easier than writing. Posted by the rooted stock S5360 GB DDMD1. My favorite investment: The 3D Hack game Quick download Use the Kokmody app to quickly download the AKMODY application. % Functionality If you want to download the latest version of Drain APK, open the APKMODY.
