One Piece is a manga written and illustrated by Eiichiro Oda and published in Weekly Shonen Jump magazine since 1997, which tells the adventures of Monkey D. Luffy and the Straw Hat Pirates in search of the One Piece treasure. Check our lists about the series: The next list presents all the episodes of the One Piece anime, and the respective
chapters of the manga that were used as a reference for each of the episodes. Essentially this is an episode to chapter converter. Episodes that did not use any reference chapter are referred to as Filler. This list is useful for those who wants to make the transition between reading the manga and watching the anime, and want to know where to pick it
