Disability Information and Advice Line (DIAL), is made up of a team of experienced experts with a common interest on disability and catering to all aspects of living with a disability. We are made up of a team of agile, committed and focused individuals who believe in the abilities that reside in disability. As a network of local centers, our primary goal is to provide adequate information and support to individuals living with disability throughout the United Kingdom. With staggering statistics on disability in the UK, we hope to fill the gap in information supply and support on disability.Our major source of information is through our network of organizations, local councils and government agencies saddled with the responsibility of caring for the needs of persons with disability. Many other resources come from researchers at various institutions and charities across the UK and other nations that benefit the UK people. At Disability Information and Advice Line (DIAL), our commitment is to disability, persons with disability and all areas affecting living with a disability.Our key focus is information and advisory services to disabled persons in need. Our services and information cover areas of need such as: We are sure to find necessary help through our network of centers to help in any way possible for our readers. Most of DIALs staff and volunteers are disabled and understand what our clients are going through as many have been in the same situation themselves. We can help with benefits, mobility, leisure, aids and adaptations, etc. We operate some outreach advice, home visiting, appeals and casework representation along with income maximisation, benefit applications and financial issues. We are now able to help our clients whose first language is not English by using interpreters by appointment only. We are continuing to operate our advice service from our main office and are building up our outreach service. We are attending other locations in Thurrock for general enquiries. If you would like to discuss any issues with us in person then please telephone, message or email. We can still help you to find out your entitlement to welfare benefits and to complete application forms to apply if you would like us to.
