Participation in it would be strickly voluntary. Here's the thing, since we're such a diverse group and live in such a wide variety of cities and towns within the area, only coming together weekly for our lunch ride, we don't really get a chance to really know each other as we should. I think one of the first steps is to put a name and face with a bike. I find myself relating to what you ride as a means of your indentity and involvement, others probably do the same. Let's give it a try for a while and see if it works! Actually, I'm not sure exactly how this will work but I have the camera and it's easy for me to put pics on here from this end so Look me up at a lunch ride or any other time and let me know you would like to be included here and I'll do my best to make you look good. Hint...wear your ROMEO shirt if at all possible and put a ROMEO sticker on your bikes...let's tell 'em who we are as well as show them! My goal is to get a photo of everybody with their bike. I'm not the best computer kind of guy but if you send me a pic I'll try moving it over here as well. Attachments Richard Kurtz - Lindsborg with current stable! Partly sunny, with a high near 72. KanDrive shows construction on K-15, so here is an alternate route. I've been told there is also construction on K-18. North out of Detroit or Chapman should get you around the construction. Group riders can depart Casey's at Ohio and North Street at 11:45 for the 1 hour ride to Wakefield. This place looks promising for a future lunch or breakfast! He survived door gunner on a Huey in Vietnam then went on to live a long life of 2-wheeled adventures on bicycles and motorcycles. That guardian angel he surely had called him home Monday at age 84. Bike was a 1993 BMW K1100RS (red) and I test rode it at the rally, struck a deal (even called home for permission) and picked it up at his farm the next week. I added a 4 into one Staintune and it was many little hotrod for some time. Jeff was a super mild mannered guy and we all will miss him. 2021 Can-Am Spyder RT-LTD Red 2024 Triumph Speed 400 Blue 2023 Kawasaki Versys 650 LT Black Ok, it time to start preparing for our "2025 Spring Rendezvous.
